ENVIRONMENT MANAGEMENT DIVISION

Continuing Professional Development Programme on
**Latest amendments on Environmental Rules and
Regulations – Significance and
Its Effective Implementation**

07 – 09 February, 2017

(An ISO 9001:2008 Certified, AICTE & CEA Recognized Institution)

Centre for Promotion of Professional Excellence

INTRODUCTION:

With a view to protecting and improving the environment different legislations have been made and different regulations, rules have been issued. The Government of India through its Ministry of Environment and Forests has enacted nationwide comprehensive laws. The Supreme Court has laid down that the “Precautionary Principle” and the “Polluter pays principle” are essential features of “Sustainable Development”. These concepts are part of Environment Law of the Country. To be sustainable, development must possess both economic and ecological sustainability. To attain this, the rules and regulation to be followed by all stakeholders for its effective implementation. As 2016 is the remarkable year of Environment rules and regulations which most of rules has been amended for Environment Protection and for its Sustainable development.

OBJECTIVE:

The objective of this 3 day programme is to provide information

- To sensitize participants with new Amended Rules and Regulation
- To create an in-depth knowledge on effective implementation model of Rules and Regulation.
