Old Bombay Road, Gachi Bowli, Hyderabad – 500032, India.

CIVIL & TRANSPORTATION ENGINEERING

CONTINUING PROFESSIONAL DEVELOPMENT PROGRAMME ON

Road Safety Management

29 January – 1 February, 2018

(An ISO 9001:2008 Certified, AICTE & CEA Recognized Institution)

Centre for Promotion of Professional Excellence

INTRODUCTION:

It is observed that thousands of people are killed every year. Some of the reasons for these accidents are attributed to exponential growth in personalized vehicles, inadequate road network, lack of efficient public transport system and on – integration of public transport system with IPT modes. Since Road Transport is a major share in traffic movement both passengers as well as goods, it is necessary to concentrate on Road Transport Regulation and enforcement to improve Road Safety.

It is observed that even well educated groups also violate the traffic rules and also are not aware of the existing rules and regulations. In that case, it becomes necessary to educate these groups of passengers through awareness campaigns etc.

It is in this context, ESCI is organizing 4-day programme on “**Road Safety Management**” during **29 Jan - 1 February, 2018.**

COURSE COVERAGE :

- Road Safety Scenario – Causative Factors
- Types of Road Accidents – Investigation Methods
- MV Act – Issues in Implementation and Amendments Bill 2016 - Enforcement
- Road Engineering Measures to Improve Road Safety
- Vehicle Technology up gradation
- Behavioral aspects for Drivers
- Educational Measures for improving Road Safety
- Traffic Management Measures for improving Road Safety
- Trauma Care Management
- Case studies and Site visits.

METHODOLOGY

This programme will be conducted in an interactive environment providing ample scope for discussions. More emphasis will be given in the direction of providing practical solutions. Each of the participants will be given reading material on all the topics covered during the training process.

TARGET PARTICIPANTS

The programme has been designed for officers / Faculty of Traffic Department, Transport Department, Police Departments, Municipal Corporations, Engineers/Contractors (Road Works), Universities, Engineering Colleges & Consultants.

RESOURCE PERSONS

Renowned personalities both from industry as well as educational institutes / Universities, who are experts in this field, will be involved in providing the training.

PROGRAMME VENUE, DATES &TIMINGS

VENUE: Engineering Staff College of India (ESCI) Campus, Old Bombay Road, Gachi Bowli, Hyderabad 500032, India.

DATES:

29 Jan - 1 February, 2018

Timings:

Registration will commence at 0900hrs on the first day of the programme. On all other days, the programme timings will be from 0945 - 1715 hrs with breaks in between for tea and lunch.
