Continuing Professional Development Programme On

## Best Practices in Quantity Surveying

**06 – 09 March, 2018**

(An ISO 9001:2008 Certified, AICTE & CEA Recognized Institution)

**Centre for Promotion of Professional Excellence**

**INTRODUCTION:**

Quantity of surveying plays a vital role in the construction management of different projects by using technical skills and soft practices to assist in successful delivery of projects. There is a need for measurement of a proposed construction project from the preparation of DPR, implementation of various techniques phase wise and till its completion. Considering the above, ESCI is organizing a 4 day training programme on Best Practices in Quantity Surveying from 06 – 09 March, 2018.

**OBJECTIVES:**

- Quantity surveying aims to provide quantum of work and approximate value for money through efficient and effective consultancy services interface between the client (Public/Individual) and Government sectors/undertakings.
- It is also to assess the cost limit risk and add value of project in construction industry.

**COURSE COVERAGE:**

- Basic concepts of Quantity Surveying
- Different Items of Work & materials in construction and Units of Measurements.
- Construction Law and standard forms of Contract.
- Different types of Estimates.
- Analysis of rates and Abstract estimates
- Preparation of Bar-bending schedule and Quantity of steel in RCC components
- Inventory of measurement of best practices
- Basic Financial Plan of valuation and Valuation of Buildings
- Project financial planning and reports

**METHODOLOGY:**

This programme will be conducted in an interactive environment providing ample scope for discussions. Emphasis will be given on various design procedures and how use them judiciously to suit our conditions. Each of the participants will be given reading material on all the topics covered during the training process.

**TARGET PARTICIPANTS:**

This programme is planned especially for all Engineers, Planners involved in Construction activities, Construction Companies, Military Engineering Services Urban Development Authorities, Irrigation, Public Health, Housing Boards, Police Housing Corporations, Municipal Corporations, Public Works Departments / R & B, Panchayat Raj and Public and Private Sector organizations and consultants.

**BENEFIT TO THE PARTICIPANTS:**

- Participants will get benefit on basic concepts of quantity surveying and different types of estimates.
- Case studies will be discussed during the training period.

**RESOURCE PERSONS:**

Renowned personalities both from industry as well as educational institutes / universities, who are experts in this field, will be involved in providing the training.

**PROGRAMME VENUE & DATES & TIMINGS**

**VENUE:** Engineering Staff College of India (ESCI) Campus, Old Bombay Road, Gachi Bowli, Hyderabad 500032, India.

**Dates:**

06 – 09 March, 2018

**Timings:**

On the first day Registration will commence at 0900hrs 6<sup>th</sup> March, 2018. On all other days, the programme timings will be from 0945 - 1715 hrs with breaks in between for tea and lunch.

**COURSE DIRECTOR**  
**Shri P. Muralikrishna**  
Faculty & Head, CTE Division

**COURSE ADVISER**  
**Shri A.R.K. Murty**  
Adviser, CTE Division
