Old Bombay Road, Gachi Bowli, Hyderabad – 500 032. Telangana, India

INFORMATION TECHNOLOGY DIVISION

PROFESSIONAL DEVELOPMENT PROGRAMME

Web Development

Using PHP & MySQL

24 – 28 Sept 2018

(An ISO 9001:2015 Certified, AICTE & CEA Recognized Institution)

Centre for Promotion of Professional Excellence

Introduction

Internet technology has become a dominant factor in business, academia, and everyday life. E-commerce and e-services are fueling a market sea change, with practically any business any place nurturing its equivalent on the Internet. Internet service providers and application service providers have created a revolutionary new model for driving new applications, hardware, and software development. Rich interactive secure web applications have made it possible for the customers to undertake sensitive transactions.

MySQL™ and PHP are two of the most popular open source technologies to emerge during the past decade. PHP is a powerful language for writing server-side Web applications. MySQL is the world's most popular open source database. Together, these two technologies provide you with a powerful platform for building database driven Web applications.

The Engineering Staff College of India (ESCI) has therefore considered to conduct a Training Programme on “Web Designing using PHP & MySQL”. This training help the professionals acquire gives an understanding of technology and applications of the Internet as well as website development, performance and security issues.

Objectives

- To develop applications that are distributed across the network
- To Create a web site using PHP & MySQL.

Course Coverage

- **HTML Basics**
- **PHP Basics**
 - How PHP Works
 - The php.ini File
 - Basic PHP Syntax
 - PHP Tags, Statements and Whitespace
 - Comments, PHP Functions
 - Variables, Superglobals
- **Flow Control**
 - Conditional Processing
 - If Conditions & Loops
 - do...while, for
 - break and continue
- **Arrays**
 - Enumerated Arrays
 - Initializing Arrays
 - Appending to an Array
 - Reading from Arrays
 - Looping through Arrays
 - Associative Arrays
 - Initializing ,Reading, Looping, Associative Arrays
- **PHP and HTML Forms**
- **String Manipulation**
- **Subqueries, Joins and Unions**
- **Inserting, Updating and Deleting Records**
- **Managing Data**
 - Querying a Database
 - MYSQL Overview
 - MYSQL Methods and Properties
 - Inserting and Updating Records
 - MYSQL Prepared Statements
- **PEAR:DB**
 - Advantages and Disadvantages of PEAR DB
 - database abstraction layer?
 - Using PEAR DB
- **Authentication with PHP and SQL**
- **Regular Expressions**
 - Perl-compatible Regular Expression Functions
 - preg_match, preg_replace
 - Regular Expression Tester
 - Regular Expression Syntax
 - Form Validation Functions with Regular Expressions
 - Conclusion
- **Session Control and Cookies**
- **Sending Email with PHP**
- **File System Management**

Training Prerequisites: All PHP and MySQL training attendees must be fluent in HTML.

Methodology

Methodology of the programme includes class room sessions with Hand-on Practical, Lecture / Discussion with audio visual aid, bench marked video shows, chalk & talk sessions, group discussions, case studies, debates, sharing of experiences etc. All the sessions will be interactive demanding active participation from all the members.

Target Participants

- Professionals working in the field of software development, Web Administrators, Programmers, Application Developers, Web developers in IT departments.
- IT Managers, Systems Managers, Scientists, Engineers and Consultants working in governmental, defense, public, private sector organizations.
- Professors, Faculty and Technical staff of engineering and MCA colleges who would like to gain knowledge and expertise in web technologies.

Benefits to the participants

After completing this course, the Participant will be able to:

- Understand the internet architecture
- Hands – On experience on Web site development using PHP & MYSQL
- Implement the security procedures on the Internet

Programme Venue, Dates & Timings

Venue: Engineering Staff College of India (ESCI) Campus, Old Bombay Road, Gachi Bowli, Hyderabad. 500032. Telangana, India.

Dates: 24 - 28 Sept, 2018

Timings: On the first day Registration will commence at 09:00 hrs. On all other days the programme timings will be from 09:45 – 17:15 hrs with breaks in between for tea and lunch.

Course Director

Mr. Syed Azgar , MBA(IT), RHCE, MCSA

Faculty & Head I/c,

Information Technology Division,

Engineering Staff College of India, Hyderabad.

Course Fee

₹ 22,500/- (Residential Fee) per participant. Fee includes course material, course kit, twin-sharing / single AC accommodation as per availability, Breakfast, Lunch, Dinner, Tea / Coffee and Snacks during the actual days of training programme.

DISCOUNTS

- ❖ **Non – Residential Fee** - 10% discount on course fee is allowed for non- residential participants.
- ❖ **Group Discount** - Additional 10% discount for three or more participants if sponsored by the same organization

(All discounts are applicable only if fee is received at ESCI before commencement of the programme)

GST @18% is to be paid extra and above the training fee as training. **PAN Card No.** AAATT3439Q. **GST No:** 36AAATT3439Q1ZV, **HS No.:** 999293 (under commercial training or coaching services – clause 65(105) (ZC) of Finance act – 1994).

Programme fee is to be paid in in favour of **“THE INSTITUTION OF ENGINEERS (INDIA) – ENGINEERING STAFF COLLEGE OF INDIA”** in the form of demand draft payable at Hyderabad. Alternatively the payment may be made by **Electronic Fund Transfer (EFT)** to ESCI – **Axis Bank** A/c No. **912010049234564** with The Axis Bank Ltd, Old Mumbai Hwy, Cyberhills Colony, P Janardhan Reddy Nagar, GachiBowli Hyderabad-500032 by NEFT/ RTGS/ IFSC Code No. UTIB 0000733 – MICR No.500211020. **While using EFT method of payment, please ensure to communicate us your company name, our invoice reference and programme title.**

Register Online: <http://www.escihyd.org/index.php/it-upcoming-trainings>

.To register **manually** please send your nominations giving details of name, designation, contact address, email address, mobile no, telephone and fax number of the participant along with the details of mode of payment of fee, addressed to :
