PROFESSIONAL DEVELOPMENT PROGRAMME

Firewall & VPN Security Administration

(Hands-on Practical Training on UTM / ASA Firewall)

18 – 22 Dec 2023

(Six Hours per day)

Powered by

ESCIUpSkill
A Smart Learning Platform

30 Hours Online Interactive Sessions | 10 Hours Digital Learning | Cloud based Hands-on Practical

Introduction

The world is becoming more interconnected with the advent of the Internet and new networking technology. Network security is becoming of great importance because of intellectual property that can be easily acquired through the internet. Security is crucial to networks and applications. Although, network security is a critical requirement in emerging networks, there is a significant lack of security methods that can be easily implemented.

This 5 day Firewall & VPN Security Program provides an understanding of the concepts and skills necessary to configure Firewall Security Gateway and Virtual Private Networks(VPNs). During this course you will configure a Security Policy and learn about managing and monitoring a secure network. In addition, you will upgrade and configure a Security Gateway to implement a virtual private network for internal, external, and remote users.

Objectives

- Course will enable to gain the knowledge in Network Security
- To understand about Firewalls, Cryptography, VPNs, IPS
- To analyze security threats and protect organization's systems and database
- Hands-On Training on UTM Firewalls.

Course Coverage

Network Security

- About Network Security
- Network Attack Techniques
- Common Vulnerabilities and Exposures
- Trojans, Viruses, Worms, Logic Bombs
- Eavesdropping, Phishing, Smurfing, Rootkit, DDoS
- Intrusion Detection System (IDS) and Intrusion Prevention System (IPS)

Firewall for Network Security

- Types of Firewalls
- Firewall Configuration Strategies
- Handling Threats and Security Tasks
- Multi Firewall DMZ
- Firewall Log Analysis Protocol Intrusion Detection System
- Digital Certificates
- Hands-on Practical on UTM
- Network Behavior Analysis (NBA)

ASA Firewall

- Overview of Cisco PIX and ASA models
- Configuring Failover
- Security Appliance Management.
- Access Control Lists and Content Filtering
- Object Grouping
- Switching and Routing with ASA Device

Virtual Private Network

- Site to Site VPN with PSKs.
- Remote Access VPN Configuration
- Cisco SSL VPN for the ASA device

Wireless Security

- About Wireless Networks
- Wireless Protocols
- Configuring Wireless Networks
- Securing Wireless Networks
- Monitoring Wireless Networks
- Wireless Security & Challenges

Network Monitoring Tools)

Methodology

Methodology of the programme includes

- Learning prerequisites skill through ESCI LMS Platform
- Online Video Interactive sessions with Cloud based Hand-on Practical,
- Online case studies, Sharing of experiences

(An ISO 9001:2015 Certified, AICTE & CEA Recognized Institution)

Centre for Promotion of Professional Excellence

Target Participants

- System Engineers / System Administrators / Network Administrators
- IT professionals who are interested in Network Security

Benefits to the Participant

- Participant will be able to manage and troubleshoot Network Infrastructure very effectively by analyzing live cases.
- Rear opportunity for experience sharing among numbers of guest speakers and experts from various organizations from all over India.

Programme Dates & Timings

Dates: 18 – 22 Dec 2023 (6 Hours per day)

After registration participant can access **ESCI LMS platform** for digital learning

Online session timings will be from 10:00 – 17:00 hrs with 15 Minutes Tea breaks.

Course Director

Mr. Syed Azgar , MBA(IT), RHCE, MCSA

Sr Faculty & Head IT,

Information Technology Division,

Engineering Staff College of India, Hyderabad.

Course Fee

₹ **25,000/- (Residential Fee)** per participant. Fee includes course material, course kit, Single AC/ Double accommodation as per availability, Breakfast, Lunch, Dinner, Tea / Coffee and Snacks during the actual days of the training program

₹ **15,000/-** per Participant. Fee includes 3 Months LMS Platform Access for Digital Learning , 30 Hours Live Interactive Sessions, Experts Online Support and Reading Material Softcopy.

GST @18% is to be paid extra and above the training fee as training. **PAN Card No.** AAATT3439Q. **GST No:** 36AAATT3439Q1ZV, **HS No.:** 999293 (under commercial training or coaching services – clause 65(105) (ZZC) of Finance act – 1994).

Programme fee is to be paid in in favour of “**THE INSTITUTION OF ENGINEERS (INDIA) – ENGINEERING STAFF COLLEGE OF INDIA**” by **Electronic Fund Transfer (EFT)** to ESCI – **Axis Bank** A/c No. **912010049234564** with The Axis Bank Ltd, Old Mumbai Hwy, Cyberhills Colony, P Janardhan Reddy Nagar, GachiBowli Hyderabad-500032 by NEFT/ RTGS/ IFSC Code No. UTIB 0000733 – MICR No.500211020. **While using EFT method of payment, please ensure to communicate us your company name, our invoice reference and programme title.**

Registration

Online registration shall be available on ESCI **web portal** : <http://www.escihyd.org/index.php/it-upcoming-trainings>

To register manually please send your nominations giving details of name, designation, contact address, email address, mobile no, telephone and fax number of the participant along with the details of mode of payment of fee, addressed to : it@escihyd.org

A Certificate of participation will be awarded to each participant on conclusion of the programme.
