Continuing Professional Development Programme

Climate Change, Public Policy, and Governance for Mitigation & Adaptation

21 – 23 August 2024

Interactive Sessions | Digital Learning | Assessments | 24/7 Experts Online/Offline Support

Introduction

The Continuing Professional Development (CPD) Programme on "Climate Change, Public Policy, and Governance for Mitigation & Adaptation" is designed to equip professionals with the knowledge and skills necessary to address climate change through effective public policy and governance strategies. The programme will cover the scientific basis of climate change, its impacts, and the policies and governance frameworks needed to mitigate and adapt to these changes. Participants will gain insights into best practices, innovative solutions, and collaborative approaches to managing climate risks.

Objectives

This training program focuses to empower professionals with the comprehensive understanding and practical expertise needed to design, implement, and manage effective climate policies and governance frameworks. This will enable them to address the challenges of climate change, mitigate its impacts, and enhance adaptive capacities in their communities, organizations, and regions.

Course Coverage

This programme is designed to cover broadly the following topics:

- ✚ Introduction to Climate Change
- ✚ Climate Mitigation Policies
- ✚ Adaptation Strategies
- ✚ Governance and Institutional Frameworks
- ✚ Economic and Social Considerations
- ✚ Innovative Solutions and Technologies
- ✚ International Climate Agreements
- ✚ Policy Implementation and Evaluation
- ✚ Case studies on successful implementation practices

Methodology

Methodology of the programme includes classroom Sessions with Lectures/discussions, with audio visual aid; bench - marked video shows, Chalk & Talk sessions, group discussions, case studies, debates, sharing of experiences, etc. All the sessions will be interactive, demanding active participation from all the participants.

(An ISO 9001:2015 Certified, AICTE & CEA Recognized Institution)

Centre for Promotion of Professional Excellence

Target Participants

This programme will be useful to Government officials and policymakers, Environmental professionals and climate change practitioners, NGO and community leaders, Academics and researchers, Business leaders and corporate sustainability managers, Urban planners and infrastructure developers.
