ONLINE PROFESSIONAL DEVELOPMENT PROGRAMME

GEM Procurement Procedures

Gem Account operation from Basic to expertise (Buyer module)

06 – 10 January 2025

(Three Hours per day)

Introduction

Government e Marketplace (GeM) is an online platform for public procurement in India. The initiative was launched on August 9, 2016 by the Ministry of Commerce and Industry, Government of India with the objective to create an open and transparent procurement platform for government buyers.

GeM is a contactless, paperless and cashless online marketplace that replaced the Directorate General of Supplies and Disposals (DGS&D) in 2016. Since its inception, GeM has brought in the visibility and transparency in public procurement. The portal has transformed public procurement in India by driving its three pillars, namely, inclusion, usability and transparency and efficiency and cost savings.

Objective of this 5 half day Online training is to explore skills for Buyer organization in **Gem** Account operation from basic to expertise.

Objective

- To understand the different **GeM for Procurement Procedures**
- This training cover Gem Account operation from Basic to expertise (**Buyer module**)
- To explore the procurement process of **GeM Portal**
- To understand the benefits and challenges of Government e Marketplace (**GeM**)
