INTRODUCTION:

Sponsored research programmes are essential in bridging academia with industry and government bodies, enabling institutions to generate new knowledge and drive innovation. Faculty members play a key role in initiating, managing, and successfully delivering these projects. This 3-day Faculty Development Programme (FDP) aims to equip participants with comprehensive knowledge about research opportunities, proposal writing, funding procedures, and effective project management techniques.

WORKSHOP OBJECTIVES:

- To create awareness among faculty members about national and international funding agencies and research opportunities.
- To enhance the skills of writing effective research proposals aligned with sponsor guidelines.
- To familiarize participants with procedures, documentation, and compliance in sponsored research.
- To share best practices in project implementation, financial management, and reporting.
- To encourage collaborative and interdisciplinary research culture within institutions.

PROGRAMME CONTENTS:

Session 1: Introduction to Sponsored Research

Session 2: Opportunities in Sponsored Research

Session 3: Identifying Research Problems and Team Formation

Session 4: Proposal Writing – Structure and Essentials

Session 5: Budgeting and Financial Planning

Session 6: Submission, Evaluation, and Approval Process
